

# Little Stars Summer Camp August 2022

## Ages 6 months-24 months

### Be Sun Smart:

- Seek shade when necessary....
- Wear a hat that shades the face, scalp, ears and neck and sunglasses.
- Drink enough water. Kids are more prone to dehydration.
- Ride bikes the smart way. Apart from automobiles, bicycles are related to more childhood injuries than any other product. Wearing a helmet is the first rule to preventing serious bicycle injuries in kids. Make sure bikes and helmets fit kids properly and follow smart rider rules.
